---

## EXPERIENCE

- Summer 2018      **GENERAL ASSEMBLY**      Washington, DC  
*Web Development Immersive Student* (May 2018 – August 2018)
- Full-stack web development program focused on common best practices in object-oriented programming, MVC frameworks, data modeling, and test-driven development.
  - Developed a portfolio of individual and collaborative web application projects.
    - CONTACT: Word trivia game with Mondrian-inspired design (HTML | CSS | Javascript).
    - UNCOMMON JOE: Connections over coffee across large organizations (MongoDB / Express / Node).
    - REMORY: Digital scrapbook to record meaningful memories (MongoDB / Express / React / Node)
- 2012-2018      **THE BASIC SCHOOL, USMC**      Quantico, Virginia  
*Staff Platoon Commander* (2017-2018)
- Commanded 99 newly-commissioned Marine officers, providing nine months of intensive instruction in tactics, leadership, and decision making in settings ranging from classrooms to forests to weapons ranges.
  - Designed and implemented new method of tracking and evaluating student performance at The Basic School which was adopted voluntarily by five independent student companies, saving 500+ instructor-hours and improving the quality and specificity of feedback to student officers.
- Warfighting Instructor* (2016-2017)
- Instructed 1000+ newly-commissioned Marine officers in infantry tactics and small unit leadership.
  - Created three decision-forcing case studies which received the highest ratings of any other classroom-based learning during the first phase of instruction at The Basic School.
- FIRST BATTALION, FIFTH MARINE REGIMENT, USMC**      Camp Pendleton, California  
*Infantry Officer* (2014-2016)
- Served as second-in-command for a 165-Marine infantry company operating in California and Southeast Asia.
  - Commanded a 40-Marine infantry platoon in training and deployment throughout California and Australia.
- 2011-2012      **BOUND SOUTH**      The Americas  
*Writer*
- Led 16,000-mile bicycle expedition from Alaska to Argentina with brothers supporting Habitat for Humanity.
  - Documented journey at [www.BoundSouth.org](http://www.BoundSouth.org), awarded “Freshly Pressed” by editors of WordPress.
- 

## EDUCATION

- 2018-2020      **THE WHARTON SCHOOL**      Philadelphia, PA  
*Candidate for Master of Business Administration: Entrepreneurial Management & Finance*
- 2007-2011      **DARTMOUTH COLLEGE**      Hanover, NH  
*A.B. Geography with a minor in Economics*
- 

## PERSONAL

- Public Affairs Officer for the Dartmouth College Uniformed Service Alumni.
- Member of Alumni & Volunteer Corporation Board for Sigma Phi Epsilon Fraternity at Dartmouth College.
- Locally renowned grain cart operator on Berg family farm and cattle ranch in North Dakota.
